The Minister of Finance is hosting community budget consultations to hear directly from the people of Ontario.

As Ontario's government prepares the 2025 Ontario Budget, we invite you to share your ideas on the key issues that need to be addressed in the next budget, including keeping taxes and fees low, getting roads and highways built, creating more jobs, putting more money back in your pocket, and providing better services.

Attendance is restricted to one delegate per organization.

Please confirm your attendance as early as possible, as spots are limited.

We want to hear from you – and written ideas are welcome. To allow time for processing, please submit your ideas by **February 3, 2025** via the **online Budget submission portal** (www.ontario.ca/budgetconsultations).
